Happy February from Everyone here at David's

Did you hear the good News?!

The Emmaus Farmers Market is moving. Don't worry, it's not moving very far. The new location will be right outside our door, at the Triangle. Because of this we will now be open on Sundays during the Farmers Market hours. Now you can get all of your Favorite David's Italian Foods 7 days a week. Yay!

In other news, we are available for delivery through UberEats. Now you don't even have to leave your house to get the World's Best Hoagie or some of our Amazing Homemade Soup.

With Valentines Day right around the corner why don't you surprise a loved one with a romantic dinner. Order some of our February Entrees or Talluto's Ravioli, set a lovely candlelit table, and voila! Oh, and don't forget to get some of our scrumptious Chocolate Chip Cheesecake to finish off your dinner.
